SUMMARY

Creative Frontend Developer with hands-on experience in building responsive and user-friendly web applications. Skilled in React.js, TailwindCSS, and modern JavaScript frameworks. Adept at translating UI/UX designs into functional code and integrating APIs to deliver seamless user experiences.

SKILLS

- User Interface Development with React.js & TailwindCSS
- State Management & Component-Based Architecture
- REST API Integration & Dynamic Data Rendering
- Version Control & Collaboration (Git, GitHub)
- Debugging, Testing & Performance Optimization.

TOOLS & TECHNOLOGIES

- TailwindCSS, Bootstrap, Material-UI
- JavaScript (ES6+), TypeScript
- Git, GitHub, GitLab
- Visual Studio Code
- Postman (API Testing)
- Figma (UI/UX Design & Prototyping)
- npm & Node.js (Frontend Build Tools)
- Chrome DevTools
- React.js and react frontend libraries

LANGUAGES

- English – Professional Proficiency
- Urdu – Native

PROFESSIONAL EXPERIENCE

Freelance | Remote

Jan 2023 – Present

- Delivered responsive and client-focused web applications.
- Designed and developed modern UI components with React.js and TailwindCSS..

Frontend Developer Internee at U Devs

10 Jan 2026 – Present

- Worked on real-time, production-oriented frontend projects.
- Developed responsive UI components using React, JavaScript, and CSS.
- Gained hands-on experience in a professional development environment.

EDUCATION

Bachelor of Science in Software Engineering

Arid Agriculture University , Rawalpindi

2021 – 2025 / CGPA: 3.74

ACADEMIC PROJECTS

InstaGuard – Fake Instagram Profile Detection System

Final Year Project (2024 – 2025)

- Built a machine learning–based system to detect fake Instagram profiles using React, Flask, and MongoDB/MySQL.
- Designed a responsive web interface with TailwindCSS, ensuring smooth user experience and admin functionality.
- Integrated real-time data extraction (Instaloader, Selenium, Playwright) and achieved high accuracy with Random Forest & XGBoost.

Portfolio Website (2025)

- Developed a responsive portfolio with animations using React.js, HTML, CSS, and JavaScript.
- Showcased projects and resume; deployed on Vercel for fast, reliable access.

<https://my-animation-portfolio-mu77f7n0b-ishasaleems-projects.vercel.app/>

Real-Time Chat Application (2024)

- Built a chat application with React + TypeScript and Node.js.
- Implemented user authentication and instant messaging with a responsive UI.
